

# Heifer International/Children's Center Bid Sheet

Rising Star Farms has donated two antibiotic-free & growth-hormone-free steers. You may bid on one or many cuts of beef. Please put the number of packages you would like in the "up to" column (be mindful of the packages sizes that are available), and the dollars per pound that you are willing to pay in the next column. Proceeds will be divided between Heifer and the Children's Center so please bid generously.
